

Abhijith S R

Date of birth: 14/11/1997 | Place of birth: kerala, India | Nationality: Indian | Phone: (+371) 20275267 (Mobile) | Email address: Abhijithsivakumar@gmail.com | Work permit: Latvia | LinkedIn: abhijithsivakumar | Whatsapp Messenger: +37120275267

About myself

"A tech-driven professional with a proven track record of logical problem-solving and system optimization. Equal parts analytical and communicative, I excel at managing complex projects and improving user experiences. Highly adaptable to new software and workflows, I am eager to apply my technical aptitude and strong work ethic to a challenging new role."

Work experience

Aircraft Component Maintenance Technician | Aero Technics | 09/2018 - 03/2019 | Mumbai, India

1. Polishing of passenger window panes of Boeing 737-400/700/800/900 and Boeing 747 series of aircraft
2. Composite repair of thermoformed plastic componentsof various aircraft passenger seats fitted on boeing 737 aircraft
3. Refurbishment of seats fitted on Avro Aircraft
4. Sidewall lamination on Boeing 737 Aircraft

AircraftMaintenance Technician | Aero Technics | 04/2019 - 03/2021 | Trivandrum, India

1. Assisting Aircraft Maintenance Engineer in a repair works related to B-737/800 C checks.
2. Internal cabin maintenance works.
3. AC works.
4. seat re-furbishing , re-fitting.
5. Vertical stabilizer maintenance works.

Kitchen worker | This place doesn't need a name | 01/06/2023 - 02/2024 | Riga, Latvia

Grill chef | Has kebab | 02/2024 - 12/2025 | Riga, Latvia

Kitchen chef | Doner grill | 01/2026 - Current | Riga, Latvia

Education & Training

information systems | Information Systems and Management University (ISMA) | 08/2024 - Current | riga, Latvia

Field(s) of study: Computer use | **Level in EQF:** 6

Computer systems | Riga Technical University | 02/2023 - 06/2024 | riga, Latvia

Field(s) of study: Information and communication technologies not elsewhere classified | **Level in EQF:** 6 | **Address:** 6+psalas iela 6a Centra rajons, R+ga, LV-1048

BBA(Airport and Airlines Management) | Bharathiar University | 08/2015 - 06/2018 | tamilnadu, India

Field(s) of study: Management and administration | **Level in EQF:** 6

Aircraft Maintenance Engineering | Regional Institute Of Aviation | 07/2015 - 06/2018 | Thiruvananthapuram, India

Field(s) of study: Motor vehicles, ships and aircraft | **Final grade:** 90% | **Level in EQF:** 5 | **Address:** Pallichal, Vedivachankovil.P.O, Thiruvananthapuram. Phone : 0471-2399090, Kerala 695501

Language Skills

Mother tongue(s): **Malayalam**

	Understanding		Speaking		Writing
	Listening	Reading	Spoken production	Spoken interaction	

English	C2	C2	C1	C1	C2

Skills

aviation | Critical thinking | Reliability | Organizational and planning skills | Flexibility and | Team-work oriented | Responsibility | Creativity | Presenting | python | Motivated | understand written Hindi | Written and Verbal skills | engineering processes | Good listener and communicator | mechanical engineering

Microsift | Microsoft Office | Microsoft Word | Microsoft Powerpoint | Microsoft Excel

Google | Google Drive | Gmail | Google Docs

Social | Outlook | Instagram | Zoom | LinkedIn | Skype

Communication and interpersonal skills

English knowledge

Tried to evaluate English language proficiency by **IELTS**

Digital Skills Test Results

Information and data literacy	Advanced	Level 6/6
Communication and collaboration	Advanced	Level 6/6
Digital content creation	Advanced	Level 6/6
Safety	Advanced	Level 6/6
Problem solving	Advanced	Level 6/6

Results from a Self-assessment Based on The Digital Competence Framework 2.1.

Certifications

Generative AI: Prompt Engineering Basics | coursera | Online | 28/03/2025

- Explain the concept and relevance of prompt engineering in generative AI models.
- Apply the best practices for creating prompts.
- Assess commonly used tools for prompt engineering.
- Apply common prompt engineering techniques and approaches for writing effective prompts.

The Bits and Bytes of Computer Networking | coursera | Online | 01/06/2023

This course is designed to provide a full overview of computer networking. cover everything from the fundamentals of modern networking technologies and protocols to an overview of the cloud to practical applications and network troubleshooting.

https://coursera.org/verify/M7828M8NXUMA

Technical Support Fundamentals | coursera | Online | 10/05/2023

.understand how the binary system works

. assemble a computer from scratch

.Choose and install an operating system on a computer

.understand what the Internet is, how it works, and the impact it has in the modern world

.learn how applications are created and how they work under the hood of a computer

.utilize common problem-solving methodologies and soft skills in an Information Technology setting

https://coursera.org/verify/APK6XQL2AZPB

Python for Data Science, AI & Development | coursera | Online | 26/04/2025

- Develop a foundational understanding of Python programming by learning basic syntax, data types, expressions, variables, and string operations.
- Apply Python programming logic using data structures, conditions and branching, loops, functions, exception handling, objects, and classes.
- Demonstrate proficiency in using Python libraries such as Pandas and Numpy and developing code using Jupyter Notebooks.
- Access and extract web-based data by working with REST APIs using requests and performing web scraping with BeautifulSoup.

https://coursera.org/verify/DL33JSAWMPDT

OPTICAL FIBER TECHNICIAN | Telecom Sector Skill Counsil | Research-Lab based | 15/09/2021

- **Fundamentals:** Overview of optical fiber communication, single-mode/multimode fiber basics, and transmitters/receivers.
- **Cable Installation & Handling:**Techniques for laying OFC, cable structure, and handling precautions.
- **Splicing & Connectorization:**Practical training on fusion splicing techniques, connecting fiber components, and passive devices.
- **Testing & Maintenance:**Using tools like Optical Time-Domain Reflectometers (OTDR) to test, troubleshoot, and repair network faults.
- **Infrastructure:**Introduction to DWDM (Dense Wavelength Division Multiplexing), SDH (Synchronous Digital Hierarchy), and FTTH (Fiber to the Home) technologies.
- Scribd +5

Practical Training Highlights:

- **Field Training:**On-site experience maintaining BSNL's deployed fiber network.
- **Safety:**Standard safety procedures for working with optical fibers.
